## OUT OF THE SALTSHAKER

by guest writer Susan Crossland

Psalm 130:5 *"I wait for the Lord, my soul waits, and in his work I put my hope."*

## PNC - and now we wait!

I hate waiting on things: the dryer to finish, a meeting to start, food to cook, and the list goes on. Patience is a word just not in my vocabulary. Although my patience is better than it used to be, the last 6 weeks have certainly been a trying time for me. Several years ago during another health crisis, my friend, Becky F. gave me a small ceramic snail with the attached words - by perseverance the snail reached the ark. He sits once again on my counter as a reminder that God is in charge and in His time it will all work out.

So goes it with the PNC (Pastor Nominating Committee) as we begin the waiting process. We have spent several months working on our CIF to present to all interested in our pastor position. I think our Church Information Form truly identifies us: our strengths, weaknesses, goals - what we seek in a pastor. We have business cards, an email address, and our delegation was recognized at the recent Presbytery meeting. Even at the first night of the Presbytery meeting I was praying the word was out and I was checking my email every few hours! I didn't really expect anything but you never know! It may take a few weeks, a few months, or even more. I know we are all anxious but we also need to take this time to sit back and listen to what God has to say to us. We need to time to grieve for what has passed and yet look to our future. We will gain strength and grow in faith as we trust and lean on Him to care for us during this time.

The PNC has some things it will be doing now as we wait: compiling interview questions, a list of expect-

tations, and reviewing the job description.

AND of course - Pray, Pray, Pray!!!

We will persevere until we reach our goal! The Bible tells us in James 1:2-4 "Consider it pure joy, my brothers, whenever you face trials of many kinds, because you know that the testing of your faith develops perseverance. Perseverance must finish its work so that you may be mature and complete, not lacking anything."

Hang in there folks - wait, pray, have patience, and persevere! The snail will reach the ark!

In His time!

by perseverance the snail  
reached the ark.

## Dave and Patty Meriwether say

### "Thank You!"

To the brothers and sisters of  
FPC ...

Thank you so much for your  
extravagant gift! I am  
"Simply grateful" for all of  
you, and Patty and I have a  
humungous spot in our hearts  
for FPC and for Paulding. We've  
been so blessed for so many years,  
and we'll always be thankful that  
God brought us to Paulding.  
We love you more than words can  
say! May the Lord amaze  
you with His blessings this  
year and may each of you  
stay close to Him.

I pray that Christ would  
dwell in your hearts through  
faith and that you grasp how  
deep is the love of Christ -  
that you may be filled to  
the measure of all the fullness  
of God. (Ephesians 4:16-19)

Shalom and love,

Dave + Patty

## More of our Beautiful Babies!

Little Sloan was born with hip dysplasia caused by not being in the correct position prior to birth. The photo on the left is six month old Sloan the morning of her first surgery. The photo on the right is following her surgery in her cast. As you can see, this will be an adjustment to Mom and Dad as well as Sloan. Her second surgery is scheduled for March 1st, the doctors will then re-cast and she will be in a cast for several months. An address to send words of encouragement is: Ryan St. John/Lauren Prytle/Sloan, 4155 Palmer Pk. Circle Way, Suite 308, New Albany OH 43054.
