Psalm 130:5 *"I wait for the Lord, my soul waits, and in his work I put my hope."*

PNC - Update!

UPDATE. PASTOR SEARCH COMMITTEE.

The survey work is done, the Church Information Form is on-line, we even have the information filed with one seminary. And...four people have already responded!

We have quickly let the four applicants know we received their materials.

Next is to carefully review the information they submitted and, when appropriate, to contact references. Reading about their beliefs, experience and education will help us know more about each person.

This process of calling a new pastor has allowed us to learn more about how the EPC denomination directs and assists the process.

It is a given that our new pastor must currently be ordained or eligible for ordination. In the EPC, the governing body that approves a candidate as having appropriate training and beliefs is the Presbytery. The EPC is divided into a number of Presbyteries with more being created as the denomination grows. The Presbytery reviews the candidate going so far as to question the candidate in public at a Presbytery meeting even if the individual already serves as an EPC pastor in a different Presbytery.

This process provides great help to our congregation as we know that a higher body has deemed a final candidate as theologically appropriate. Once ordained by our Presbytery, our church will be able to install the individual.

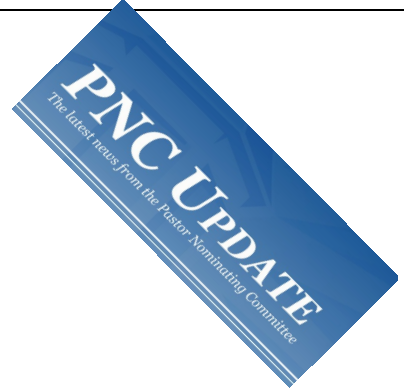

You may find it interesting that the EPC

identifies three categories of elders. First, a ruling elder is one who is currently serving on Session and has been ordained by our own church to do so. Second, 'once an elder, always an elder,' as the title continues even after the term ends. The third category is teaching elder, the EPC title for a pastor.

As Christians we believe in the power of prayer. Our committee is composed of seven regular people from our congregation. Now that the call is out to the world, and people are responding, we seven need your prayers to help us discern, to hear from God to whom we should respond. Thank you.

Each of us on the Pastor Search Committee appreciate the ideas we have heard from so many people. Please feel free to contact any of us with ideas and questions.

Session Highlights

At the March 21st Session meeting, elders:

*started the meeting by hearing from Sue Paulus about a county-wide revival-type event that is being planned by IGNITE-Paulding on July 16-19. Entitled "Is This the Time?", the event will be held at Wayne Trace High School, and has the support of 30+ area churches. Sue is our church's contact to this group and this event. See article regarding the event and upcoming training on page 5 of this newsletter.

*heard that David Meriwether's name has been added to the plaque of pastors who have served our church over time.

*agreed to order the newest Book of Order from EPC.

*learned that the church van has been gone over by St John Tire. Brakes and tires have been updated, and the van has been deep-cleaned inside and out.

*signed the Commitment form to prayerfully support the "Is This the Time?" event.

*approved the April schedule of pulpit supply provided by the Worship Committee; and asked them to proceed with filling the pulpit for May.

*approved use of the Fellowship Hall on Mon., May 8 by the Bargain Bin for their Annual Member Luncheon; and by the Gideons Auxiliary on Sat., Aug. 5th for a regional meeting.

*approved a bid for summer yard maintenance with Classic Land Design (Randy Bostelman) for \$65 per mowing occurrence. This company, which is the same group that does our winter snow removal, will also trim bushes and refresh mulch per agreement with the Property Committee.

*the Property Committee continues to keep many items on their radar....the new garage and its placement, tree removal on Cherry St, work needed in the cottage laundry room, security at the church, replacement of lighting with LED over time, and plaster troubles in the sanctuary. No final answers have been reached at this time.

Celebrate His Resurrection!

Often called "white-robed apostles of hope", lilies were found growing the Garden of Gethsemane after Christ's agony. Tradition has it that the beautiful white lilies grew up where drops of Christ's sweat fell to the ground in His final hours of sorrow and distress.

Because of this **Legend of the Easter Lily**, churches today surround their altars and their crosses with masses of white lilies to commemorate the resurrection of Jesus Christ and the hope of life everlasting.

Yes, I want to contribute to the beauty of our Easter celebration by my purchase of an Easter Lily (5-7 blooms) at the cost of \$16.50 per lily.

A plaque with David Meriwether's name and dates of service to this church has been added to the board with all the pastors from our church's beginning. This plaque hangs on the wall facing Caroling Street.

Help from Gateway Church

Scott Long (left) and Dan Young (right) are Presbyterian pastors who have been here to help us during our time of transition. Both are returning in April.

Hands of Love Reaching Out!

Martha Punches sent 21 hats she had made along with me to Julie's mid February. Martha gives locally but was willing to share her gift of love to reach to IL. Julie was taking radiation treatments and realized the hat and gift basket had been empty for a couple weeks. Julie made 3 hats and I made 2, giving us a total of 26 donated!! Julie's daughter, Danielle also contributed to the project with her beautiful gift of writing a little prayer card with each hat.

Just a reminder that God is using our church's Hands of Love to reach and encourage many! Cindy Koenig

This is my Winston!

This is my second project for FCCLA and you have helped me with both.
Thank you SO MUCH!

Last year your donations went to Hands of Hope and my project went to state. This year your donations are helping with
HERITAGE FARMS RESCUE CENTER

My dog, Winston, came from Heritage Farms last May for my birthday and that is when I started planning for this project. Thanks to your help with the bake sale and donations, as well as the kids at school purchasing brownies that I continued to bake, there is over \$450.00 to donate to the Rescue Center.

Needed for our Last Lenten Supper

This supper will be April 5th.
Our speaker that evening is Dwight Stoller.

What we had previously labeled our Pot Pourri Supper is now turning into another Italian meal. The choir had a lot of sauce left so we will fix casseroles to use it up. In addition to the casseroles, we will need:

Salads, bread and desserts

We will also need volunteers for prep and to clean up. Look for the sign up sheet in its usual place at the top

At annual Chamber of Commerce awards. Susan and Phyllis Crossland receive Milestone award for 20 years at Bittersweet Inn.

Our members are a vital part of our community. Thank you, ladies, for taking the church outside of its walls and to the people.

A Season of Refreshing: prayer for our new pastor

The Wednesday morning time of prayer came up with a list of suggestions for prayer for our new pastor. They are praying for a “season of refreshing” for our church according to Acts 3:19-20.

Praying for our new pastor:

1. A balanced life according to Jesus’ model of growth and maturity (Luke 2:52). That the new pastor attends continuing ed. workshops and seminars with other spiritual leaders/pastors and led by professionals
2. An increased passion for the Word of God
3. That God would give this pastor strength to leave the position currently held and initiate love for the new pastorate
4. The God would prepare this pastor to shepherd our church through the trials and blessings he/she has faced and is currently facing
5. Pray for the pastor’s family: stability, agreement, clearly defined roles for support and encouragement as the head of the family
6. Pray for a relational style of ministry so that beginning new relationships within our church will start off in the right way
7. Pray that our new pastor is community minded and becomes involved in the outreach of our church beyond the building

Thank You from the House of Love

Picture on the left are Pastor Dwayne and Brenda Richardson as well as others from their congregation on February 19 when House of Love used our fellowship hall to host a birthday celebration for both Brenda and Dwayne.

Included in the celebration was a baby shower for Richardson’s new grandbaby born earlier that same week.

A good time was had by all, and the church expresses it’s gratitude for the use of our facility.

Please invite your friends, neighbors and relatives to this wonderful event.

"Christ in the Passover" is a great time for church members to invite their Jewish or unbelieving friends to attend. Oftentimes "pre-saved" people are open to coming to a service like this if they know they won't be pressured. One approach might be to encourage the people at the church to let their friends know that "even if you don't agree with the message, you might find it interesting to hear how the Last Supper was a Passover Seder". ("Seder" is the name for the Passover meal and it literally means "order", because the Passover follows a very specific order of service). Perhaps you could let the people of your congregation know about this special Jews for Jesus service, and they can promote this wonderful event

I'm looking forward to meeting you and I want to thank you for partnering with Jews for Jesus so together we can reach the Jewish people with the only hope for peace – Jesus the Messiah.

(Part of a note from Peter Blitshteyn, minister to Russian Jews in New York City and our presenter on April 4th.)
